BLUEWAVE

Bilge Cleaner

Ready-to-Use & Eco-Friendly

V1.0 January 19, 2020

Blue Wave Marine's Bilge Cleaner is a one of the most powerful solvent based bilge cleaners on the market. It effectively emulsifies and removes grease and grime that has built up in the bilge of your boat to keep it clean and free from odor while keeping bilge pumps free of oil buildup if used as instructed.

The enhanced formulation of Blue Wave Marine's Bilge Wash improves contact time to efficiently breakdown buildup, including on vertical surfaces, to ensure optimal results quickly and safely. This product prevents redeposition by coating the surface of the bilge to ensure your boat stays clean longer and assists to improve future cleaning cycles.

Value Add/Benefits

- Environmentally Responsible
- Removes oils, grease, dirt, salt, sediment, and staining
- Deters future soiling and build up
- Clean as your boat runs
 - Effective on vertical surfaces
- Biodegradable
- Effective on vertical surfaces
- No scrubbing required
- No oil buildup in bilge pumps if used as instructed

Safety & Handling

Review SDS for any safety precautions prior to handling product.

Packaging

Appearance: Colorless, clear liquid
Specific Gravity: 0.99
pH: 5.5
Solubility: Soluble in water

Application

Effectively cleans and protects all marine surfaces including metals, vinyl, plastic, rubber and fiberglass.

How To Use

If bilge is dry, fill with several gallons of water. Pour cleaner directly into bilge and let soak for 1 hour as boat runs. Pump out or drain after cleaning is complete.

For optimal results, clean bilge once per month. Recommended maximum dilution of the product is 1 part cleaner to 50 parts water.

Test product in an inconspicuous area on surface prior to application to ensure compatibility.
