

Blue Wave's Complete Marine Cleaner is a concentrated read-to-use, eco-friendly, all-purpose cleaner and degreaser that is formulated to work in marine environments. It offers robust cleaning properties without toxic bleaches and solvents, making it a safer choice for people and the environment. This product is safe for all washable marine surfaces such as vessels, docking/storage, and other marine related environments.

Blue Wave's Complete Marine Cleaner can be used manually or with equipment including pressure washers, parts washers, floor scrubbers, foamers, dip tanks, carpet and steam extractors. When used as instructed, it will break down oils, grease, stains and built-up grime and dirt on decks, gunnels, hulls, fabric/upholstery, and other types of marine components.

#### Value Add/Benefits

- Concentrated foaming formula
- Easy application and quick results
- Removes grease, dirt and spot stains
- Easy application and quick results
- Refreshing coconut scent
- Compatible with all washable surfaces
- Streak-free finish
- Solvent free
